

SCALE THE V-SHAPES FORMAT WITH ALPHA

A fully automatic multi-lane VFFS system for businesses ready to bring high-volume V-Shapes production in-house. It delivers the speed, precision, and control modern manufacturing demands.

Built to serve Food & Beverage, Personal Care, Healthcare, and Travel & Hospitality.

► High Output. Built In.

Produces up to 16,000 units per hour through a fully automatic 6-track system built for sustained scale.

► Precision at Production Speed

Handles 0.2 ml to 30 ml with precision up to $\pm 0.5\%$, helping improve consistency and reduce overfilling.

► Ready for Robust Production

Multi-lane automation, line integration, and Industry 4.0-ready control help reduce downtime and support smoother production.

WHEN SCALE LEADS THE DECISION

► Controlled Output. Less Waste.

High filling precision and synchronized film handling help reduce overfilling, improve alignment, and cut material loss.

► Traceability. Built In

Inline coding and system synchronization support clear pack identification and traceability across runs.

► Change Faster. Run Smarter.

Changeovers in under 30 minutes help reduce downtime and keep production moving efficiently.

Italian-Built for Industrial Confidence

Engineered and manufactured in Italy, Alpha combines production-ready automation with recognized standards that inspire long-term assurance and investment confidence.

Production capacity	Up to 300 units/minute
Changeover time for complete pack change	30 minutes
Number of packaging lines	6
Film reel consumption	Up to 5000 mm/minute
Standard weld dimensions	5 mm
Machine colour	RAL 5026
Electrical parts	Standard IP55; IP67 on request
Standard Electronics	PLC or motors on request 10 brushless motors 1 asynchronous pump for filling hopper or direct dosage "Intelligent Power Management"
Dimensions of V-Shapes pack	Height from 50 to 100 mm/1.969" to 3.937" Width from 40 to 100 mm/1.575" to 3.937"
Air Pressure	7 bar, 600 NI/H
Electric power	28 kWh
Weight (maximum)	3000 kg / 6612lb
Machine Footprint	2500 mm x 2000 mm x 2000 mm (H) // 98.42" x 78.74" x 78.74"

ALPHA

For businesses ready to scale elevated single-serve packaging.

Built in alignment with recognized compliance and manufacturing standards.
